Andrew G. Martin concentrates his practice on a wide range of insurance recovery matters.

Andrew has notable experience handling complex cases involving coverage disputes related to commercial general liability, commercial property, cyber liability, crime, professional liability, and directors and officers liability insurance.

Prior to joining the firm, Andrew served as a litigation associate at a business law firm located in Texas, an intern at a leading consumer financial technology company, and a senior strategy & analytics consultant at an industrial research organization.

During law school, Andrew served as a staff editor of the *SMU Law Review*.
