bryant.andrews@blankrome.com

Bryant Andrews is an experienced litigator with substantial trial experience. Known for his passionate and strategic representation of small businesses and multinational corporations alike, he possesses extensive expertise in general commercial litigation, complex civil litigation, mass tort actions, and employment-related cases.

His practice particularly focuses on claims involving misappropriation of trade secrets, the enforcement of restrictive covenants, employment harassment, and discrimination. Bryant has represented banks, financial services providers, healthcare corporations, and pharmaceutical companies in various state and federal cases.

Bryant's comprehensive legal skills and strategic approach to litigation make him a valuable asset to clients facing multifaceted legal challenges, ensuring thorough and effective representation in every case he handles.
